Management and operation of public facilities

We participate in the PFI (Private-Finance-Initiative) and Designated Manager systems to deliver benefits to many people through the operation of lifelong learning facilities, childcare facilities, correctional facilities, etc.

[Lifelong Learning Facilities]

We will work with you to create services for public facilities so that you can enjoy a better life in the city where you live.

[Children's Healthy Upbringing Facilities]

We aim to create a warm place where parents and children can spend time together in peace and security, while ensuring a healthy playground for all children; promoting their health and emotional development.

[Correctional Facilities]

Valuing the "right to education" that all people have equally, we participate in correctional education programs, develop and implement educational programs and job training programs to prevent recidivism and reintegrate inmates into society, as well as provide operational support.
