Management and operation of public facilities

We participate in the PFI* and DMS*, and through the contracted operation of lifelong learning and environmental education facilities, facilities for children and youth, correctional facilities and more, we strive to enrich the lives of as many people as possible.

*PFI: Private Finance Initiative

*DMS: Designated Manager System

【Lifelong Learning and Environmental Education Facilities】

As curators of your community, we gather and weave together local resources to create public facilities where everyone can build a fulfilling present, in collaboration with the local community.

【Facilities for Children and Youth】

We operate these facilities with a focus on our users, aiming to create "warm, welcoming spaces where not only children but also parents and children can feel at ease" and "spaces where young people can feel safe and be themselves."

【Correctional Facilities】

Valuing the "right to education" that all people have equally, we participate in correctional education programs, develop and implement educational programs and job training programs to prevent recidivism and reintegrate inmates into society, as well as provide operational support.

Management and Production of Requests Received

We will propose and produce projects to meet your requirements, utilizing our expertise in developing contents based upon your needs.

Content Development

We are capable of developing a wide range of content based on our accumulated experience, from planning a wide variety of courses and training programs, to the production of teaching materials and video production.

In-house Cafe

Private School Children Pokémon Global Academy

Opened in April 2016 and based on the educational know-how cultivated by the Shogakukan Group over many years, this one-stop after-school education facility provides not only traditional after-school care, but also a “fun and educational time and space” filled with many learning elements. It is a one-stop after-school education facility.

We offer a wide variety of programs and educational materials with an awareness of the “real world”. We provide a fulfilling after-school experience.

ShoPro Marche, In-House Café Initiatives

ShoPro and Shogakukan Academy Co., Ltd. are collaborating on initiatives to promote the employment of people with disabilities.

At ShoPro Farm (a farm in Saitama Prefecture), we grow pesticide-free vegetables and regularly ship fresh produce to our offices and daycare centers. We also hold “ShoPro Marche” vegetable distribution events at our office to foster interaction among employees.

In addition, we operate an in-house café that hand-selects green coffee beans to provide high-quality coffee. We use this delicious coffee to help employees relax and promote communication.
